News and information covering Tadmarton and Swalcliffe

It seems appropriate to allow
Queen Elizabeth II
back on the front page.

I have used photos available on the internet, and there are absolutely millions. But I think this one above is the most beautiful, showing her majesty deep in thoughts.

I would like to thank the Tadmarton Village hall Team for responding in a timely manner and provide a beautiful serene outlet for writing our condolences. Many people were clearly affected, and were grateful for the opportunity to share their grief.

Her Famous Smile.
A true example to all of us!

26th Annual Tadmarton Charity Fun Ride – Sunday 21st August 2022

What a contrast in the weather to last year when we'd had warnings of torrential rain, high winds and thunderstorms! With this year's long, hot, dry summer we'd been praying for rain to make the going a bit softer, thankfully we had some a few days before.

This year we decided to go 'Back to our Roots' and started the ride where it all began at our livery yard in Lower Tadmarton. The route took the riders across Duncan Jacks' farm (our old family farm) coming out on the Tadmarton Golf Course Road, over Ushercombe Farm to Upper Tadmarton, then over more of Duncan's land - fields and fields of stubble – a joy for the riders! To end up at Swalcliffe Cutting, along Park Lane to Swalcliffe Park Equestrian Centre where everyone had fun jumping and splashing through the water; having their photo taken by our long-standing professional photographer Cordelia Noble.

Taylor Farms kindly let us go up their grass margins to High Ways, where some people took a shortcut down the road but the majority carried on across Tadmarton Heath crossroads past Lesser Farm and along the Old Railway Line to Milcombe, over a couple of fields to Davenport's, then back down Duncan's land to the start - approximately 10 miles!

The day ran exceptionally smoothly, sadly numbers were slightly down; we're blaming the hard ground. However, those that did the ride were extremely happy and commented how lucky we are to live in such a beautiful part of the country, with such amazing riding.

After expenses, we have been able to send £1150 to each of our charities, namely Thames Valley Air Ambulance and Frank Wise Special School, Banbury. We have now raised over £77,000 in total for our various charities over the past 26 years.

Many thanks to the farmers and land owners who allowed us to cross their land, especially their private land; this makes the ride extra special for our local participants. We are so grateful to those who moved their stock - it is really appreciated! It enables us to leave the gates open, which makes the ride all the more enjoyable and also means we need less helpers. This year's ride had 26 gates all of which we were able to leave open! As always, a special thank you to Swalcliffe Park Equestrian for the ongoing use of their brilliant cross country course – this makes our fun ride quite unique!

Massive thanks to my husband Kevin, mum Di Green and Nicky for coming to the rescue with the refreshments, when the catering van we'd booked, cancelled at the last minute! Thank you to Geoff and Lyn Flowers for supplying tables and catering equipment, Tor Taylor for the tea urn – nothing better than a burger or sausage in a bun followed by tea and homemade cake!

Huge thanks to Mum who donated the rosettes this year, as she has frequently done in the past, this lowered our expenses considerably.

My own personal thanks must go to our liveries and friends at High Meadow Farm Livery, whether they rode the ride, marshalled, donated or baked a cake. The ride would not happen without you. Special thanks to Nicky who again took a week or so off work to waymark the route with me.

Time to start planning 2023!

Tadmarton Charities

As in the past I thought it would be helpful to give a little background to the charity especially for new people to the village

Tadmarton Charities is an amalgamation of the Poor's Land Charity, the Macdermot Charity and the Macdermot's Educational Charity. The Poor's Land Charity arose from the Inclosures Act of 1775 when a small area of land, which is now part of Tadmarton Golf Course, was made available to help the poor and needy of the parish. Subsequently this land was swapped for the 16 acres which the charities now own. This comprises of 2 fields which run down from the golf course road and up to a field owned by the Banbury Ornithological Society.

The 16 acres of land provide a rental income which in most years covers the income distributed to those recipients in the parish who have regularly received support. In addition, the Charity has an investment holding in M & G Charifund which contains monies received for granting a right of access to the Banbury Ornithological Society land back in 2005 and a small sum held in a Building Society Account.

These holdings do not routinely distribute income but are used for the ongoing administration of the Charity and to enable additional distribution of funds where deemed appropriate. Over the last few years this has been required.

The Trustees are strictly bound by the trust deed which allows us to **‘relieve either generally, or individually, those residents of the Parish who are considered to be in genuine need, or suffering hardship, or distress’**. It is interesting to look back and see that in 1867 the charity delivered coal to 70 families who were deemed to qualify.

However there are still people and families who are in genuine need and it is the trustees job to allocate funds to them.

They do of course rely on people applying for themselves or nominating others.

The Trustees would now like to hear from any person who feels that they, a neighbour, friend, or family member, might qualify for consideration for the 2022 distribution.

The name, address and brief details should be provided to the Clerk to the Trustees at the address given below.

Those who have always received help from the Charity will automatically be considered and need not reapply.

CODEWORDS
 are like crossword puzzles - but have no clues! Instead, every letter of the alphabet has been replaced by a number, the same number representing the same letter throughout the puzzle. All you have to do is decide which letter is represented by which number! To start you off, we reveal the codes for two or three letters. When you've filled in these letters throughout the puzzle, you'll have enough clues to start guessing words and discovering other letters.

Hi everyone,

I hope you had an amazing summer and enjoyed the steamy hot weather.

We are now in the process of resurrecting the idea of a glass inner door in St. Nicholas church.

By the time you receive this issue we will have enjoyed our Harvest Festival celebrations, a momentous occasion.

The money raised will be donated to a charity yet to be decided.

The renowned Pudding Club is hitting our village again on the **15th of October**. Money raised will be shared between the Village Hall and Church funds. A big thank you to everyone who helps to makes this event happen.

We continue to support Chartine; our sponsored child in Rwanda, as well as our good friend Polly who provides food to the homeless in Banbury.

The Church flowers have looked stunning over the summer and we have enjoyed arranging them in the cool church.

We continue our Sunday after church refreshments in the Village Hall; "Maggie your chocolate cake is divine and I was in heaven eating it", "Shirley a plate of your Bake-well tarts disappear in seconds" Delicious!

The after church service coffee morning on a Tuesday is increasing in popularity, and thanks to the dedication of all the helpers and the friendliness of the group we are now also attracting people from other villages.

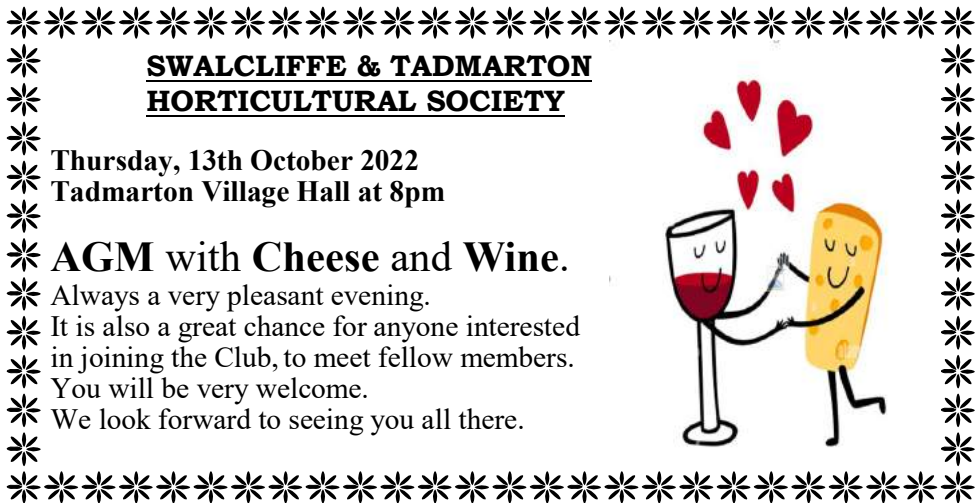

The church yard is looking spectacular thanks to a wonderful team of caretakers. One morning, walking through the church yard all looked especially pristine. A few weeks later I spotted a gentleman working hard doing all the finishing touches. Thank you so much David for your first class work which is very much appreciated.

Also thank you to Rev Neil and Rev John. We are so blessed with all your hard work with which you achieve and maintain a friendly, happy and organised Benefice.

The year has started well here at Sibford Gower Endowed Primary School. The children are settling into their new classes quickly and we have all sorts of exciting learning planned for the Autumn Term. Beech Class have already discovered that we have Bog Babies on the school site and are busy communicating with them! Willow Class are finding out all about the English Civil War and the Battle of Edgehill. Oak Class are finding out about Antarctica and Ernest Shackleton's last journey.

We are hoping for a much more 'normal' year with lots of opportunities to welcome parents and carers into school to share and celebrate the achievements of our wonderful children with them. This began in the very first week of term with our after-school Spanish Club performing a play in Spanish to parents and carers. This was very well-received and extremely funny with confident performances and lots of laughing. We are busy planning other events to bring our school community together.

Autumn is beginning – always a beautiful season in our lovely school grounds. The Orchard is full of fruit which the children have been harvesting and we have held our first Apple Sale in the school playground with all proceeds destined for our friends at the Rojo Rojo Aids Orphanage in Kenya. To find out more about Rojo you can look on their website at <https://www.aid4rojo.org/>

Our Chair of Governors, Mr Paul Manthorpe, is handing over the mantle to governor Mr Alex Greenhalgh. Paul has worked as our Chair of Governors with energy, enthusiasm and good humour. Although he has a talent for being lighthearted at just the right times, Paul took this role very seriously, showing a firm commitment to ensure the best possible provision for our children. Staff appreciated his involvement in school life and his support for them and their well-being. We will all miss him. On behalf of staff and pupils, I would like to thank him for his service.

We currently have some part time vacancies at school that may well be suitable for local people who would like to join our friendly team. These include a vacancy for a dinner supervisor and an after school playworker. To find out more about these opportunities, please look on the school website at <http://www.sibford-gower.oxon.sch.uk/job-vacancies.html>

Nursery provision for children aged 3+

Although our Reception year is now full for next year, we still have nursery places available. If you have a nursery-aged child and are considering us as a setting, you are very welcome to contact the school to arrange a visit and a chat. Your child can join us at any time from the term after they are three and all 3 and 4 year olds are entitled to 15 funded hours of early education per week.

To find out more about our nursery, please look on our school website at <http://www.sibford-gower.oxon.sch.uk/nursery-provision-admission.html>

“From little acorns... mighty oaks do grow”

To find out more about our wonderful, welcoming village school and the things that are going on in each class, please take some time to visit our school website at

Notes from the Editor:

What a month it has been ; An end to an era with the death of Our Majesty The Queen Elizabeth II.

And now Autumn is here.....

With the passing of the old, new beginnings will emerge.
A time to seek new opportunities, encourage new growth .

Personally I am one for setting new resolutions when the seasons change, or even the month, week or day.

We make mistakes and misjudgements daily, we are human after all.
Forgiveness is a beautiful way to create a better life for your self.

So my resolution is to see the other point of view, try to understand where someone else comes from, at the same time hoping they are willing to do the same for me.

On that note I wish you all a beautiful Autumn, with respect for all that lives.
(That includes spiders)

Have a look at the What's on; on Page 38.

A lot of work goes into organising those events and your support is needed to ensure continuation of events.

Don't forget that if you have time to volunteer come forward, without volunteers nothing will ever happen.

Detailed facts and advice from many organisations were obtained. A detailed document has now been produced and will be copied and delivered to everyone. Another training session will be arranged.

To discuss the placement of the Platinum Jubilee bench

The bench is currently residing safely in a garden. It was agreed to place it outside the village hall nearest the churchyard. It will need to be secured to the ground. Quotes to block pave and replace the railings will be sought.

To consider if residents of Highlands can install solar panels
